

## Systems Engineer

### Join Our Award Winning Engineering Team

Image Matters LLC is seeking a Systems Engineer with experience in Systems Analysis and Systems Engineering.

Work on leading-edge Knowledge Management and Geospatial technologies in a vibrant small business environment. We are seeking individuals who:

- Share our passion for making a difference through commitment to high performance, integrity and customer satisfaction;
- Are team-oriented, high performers with aptitude and desire to learn and contribute; and
- Comfortable working in smaller, very agile, collaborative, user-focused environments.

#### Key Responsibilities

The incumbent will be responsible for performing analysis on complex problems, working with software development teams to create innovative solutions for customers, as well as applying Systems Engineering principles in Research and Development Projects.

#### Required Technical Skills and Expertise

- M.S. degree in EE, CS, Math or equivalent (professional experience may override degree requirement)
- 3+ years systems engineering experience with a strong familiarity with SE standards
- 2+ years proven experience enterprise architecting using a framework (DODAF, TOGAF, or FEAF, with DODAF preferred)
- 2+ years proven experience developing Web applications using Java platform (J2EE, J2ME, etc.) and/or Web Services (XML, HTTP, WSDL, SOAP)

- Mature understanding of the software development process including analysis and design using UML modeling techniques
- Strong analytical skills
- Fluent in English; verbal, written and interpersonal skills a must

#### Desired Technical Skills and Expertise

- Candidates with experience involving geospatial systems and/or services will be favored.
- Full life-cycle systems development is highly favored.

#### Security Clearance Requirements

- Must possess or be able to obtain U.S. Government security clearances

#### Primary Work Location

- Leesburg Corporate Office
- Reston – Leesburg Corridor contract site

#### Benefits

- 10 Paid Vacation Days
- 10 Paid Sick Days
- 6 Paid Holidays
- 4 Paid Personal Leave Days
- 100% Paid Employee Health & Dental Insurance
- 40% Company Paid Family Health Insurance
- 401K Plan
