

Senior GIS Analyst

FLSA Status: Exempt
Full-time position

Job Description

The Senior GIS Analyst provides support to the OSD customer in the areas of: data gathering and analysis, GIS support and analysis, cartography, and technical advice.

Key Responsibilities

The Senior GIS Analyst will:

- Coordinate with the OSD customer to develop a continuous, repeatable process for analysis and mapping support
- Utilize knowledge of ArcGIS and geodatabase management in order to provide GIS analysis and support using government and open source data to produce maps, new data sets, metadata and other standard GIS products
- Utilize skills and education in the areas of information gathering and analysis

Requirements:

- Must have an active DoD Secret clearance
- Must have a bachelor's degree in a discipline such as Geographic Information Systems, or equivalent experience
- Must have experience with ArcGIS, with a strong background in cartography and analysis to include geocoding and proximity analysis.
- Must have strong analytical, communication and Excel skills

Preferred Skills:

- Proficiency with ArcGIS Enterprise to include Portal for ArcGIS
- Experience with National Geospatial-Intelligence Agency (NGA) systems, such as Map of the World and the Geoint Visualization System (GVS).
- Experience with Installation Geospatial Information and Services (IGI&S) data and standards.

Travel Required

No travel is anticipated for this position. Any travel required would be infrequent.

Work Environment

This job operates in a professional office environment. Standard office equipment, such as computers, laptops, phones and photocopiers are routinely used. This position is currently remote. However, the position may be required to work on a customer site in the DC Metro region in the future.

Physical Demands

To perform the essential functions of the job, the employee is frequently required to sit, and use arms and hands. The employee may occasionally be required to stand or kneel or reach. The employee must use hands and fingers constantly, to frequently type. The employee must occasionally lift and/or move up to 5 pounds. Specific vision abilities required by this job include: close vision, distance vision, color vision, peripheral vision, depth perception, and ability to focus.

Mental Demands

This position requires frequent analytical thought, reasoning, concentration, verbal and written communication, creativity and problem-solving capabilities.

Other Requirements

Proof of COVID vaccination is a requirement for this position.
